

FDHS JV vs Riverheads
January 25, 2022
At Riverheads High School

Riverheads got revenge for its 33 – 32 loss to FDHS earlier in the season with a dominating 60 – 46 pasting of the Indians Tuesday night at Riverheads. Riverheads ran out to a 9 – 2 lead as Fort’s shooting was awful. Jalen had three misses, Carter Fink one, and Del Ray Jones one in that stretch. A bucket by Carter Fink pulled the Indians within five at 9 – 4 but then Riverheads hit two free throws to go up 11 – 2. Gus Gutshall then entered the game and gave the Indians a spark with a good shot block then a nice left handed score in close to get the Indians within three, 11 – 8. Riverheads then got easy buckets to go up 15 – 8 after one.

Turnovers again killed Fort’s chances. Five turnovers in the first three minutes of the second quarter allowed Riverheads to built its lead to 21 – 10. More turnovers and airballs doomed the Indians to a 32 – 14 deficit at the half.

They built their lead to 41 – 20 in the third quarter before Del Ray scored off of a rebound. Riverheads luck continued as they banked in a three pointer at the buzzer leaving the score 48 – 30 after three quarters.

By this time, Fort’s offensive strategy seemed to be to let whomever had the ball try to go one-on-four against the defense and throw up a wild shot. This happened over and over. Three more turnovers didn’t help as Riverheads built up a 60 – 37 lead. Fort managed to score a few near the end but it was much too little, too late as Riverheads won 60 – 46.
