

FDHS JV vs Broadway High School  
December 14, 2021  
At Broadway High School

The Fort JV's dropped their second game of the season at Broadway High School on Tuesday, December 14, evening their record at 2 – 2. Our Indians were never in this one; the final score was 46 – 24. Like their first loss at Monticello, turnovers and missed shots, including free throws, doomed them.

Gus had a good game, scoring four points and had zero turnovers. He was a team captain and starter again. His first basket evened the score a 4 – 4 but then BHS went on a spurt to take a 9 – 4 advantage. Carter Fink's basket made it 9 – 6 at the end of the quarter.

To start the second quarter, BHS made a three pointer to go up 12 – 6. Then Carter F. made one of two free throws and Geo scored to make it 14 – 11. That was as close as they got. Three turnovers in the last minute of the quarter opened the door for BHS to take a 20 – 11 lead at halftime.

The lead expanded to 26 – 13 before Gus got his second bucket. Broadway extended their lead to 33 – 20 with 34 seconds to go in the third but again the turnover bug hit the JV's and BHS scored the last three points of the quarter to make it 36 – 20 after three.

BHS was very well coached. They had very few turnovers and passed the ball well. They expanded their lead to 46 – 24 then both coaches emptied their bench. That was the way the score ended.
